5/21/01 135 CASE STATUS REPORT by defendant Serco Mgt Svcs mc, defendant Korean Air Lines Co Re decedent Lee, Sang Ok (Relates to MDL 1237) (shb) [Entry date 05/23/01] [2:98cv2243]

5/23/01 136 MINUTES by Judge Harry L. Hupp: With the except of one sub-issue, the mot of dft Serco for summary jgm is DEN by reason of the existence of triable issues of fact as to negligence & proximate or legal cause. It seems most efficient to try the liability issue as to Serco in those cases where only Serco is a dft first, bef one judge, & get a liability finding. If damage trials are thereafter necessary, the case can be sent out for individual damage trials. Accordingly, the crt intends to modify the PTC ords already submitted, specifying that there shall be liability trials bef one judge in the Central District, to Precede any damage trials, w/ damage trials to proceed individually if liability is found. Cnsl should expect the modified PTC ords imminently, followed by info as to identity & date of a stat conf bef the selected trial judge to set a date for a liability trial. CR: Cynthia L. Mizell.
